

10th June 2013

Dear Sowmya,

thank you very much for your letter and a nice picture and the photo of you, too. I saw your results at school and I have to say that you are a very good pupil, you are a clever girl. I was very glad when I read the annual progress report.

Now there is spring and at the end of June the summer starts. At these days we are finishing our school year, so we have a lot of learning to give the best marks. After this week we are going to do the school academy, where each of class show what they prepared for the performance( e.g. dancing, singing, exercising, playing the musical instruments). There will be a lot of people from our village and parents, too. On 28th June each of pupil will receive the annual report and then:

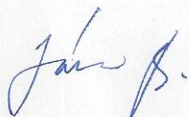

HOORAY!!!!!! The summer holiday starts!!!!!!!!!!!!!!

The last week was very difficult for Czech people, because it was raining steadily and the rivers overflowed. In all our country there are anormous damages after this flood. So we hope in better weather.

We translate your letter and put it on the board so that each student could read it, also your photo and beautiful picture from you.

We all wish you that you enjoyed the holidays and draw strength for further studies. We look forward to your next reply.

Your sincerely Jara
